**ELCO Office to Close to the Public**

In the interest of public health and safety related to the spread of the COVID-19 virus, the ELCO office will be closed to the public from March 17-27. The length of the office closure may be extended at the discretion of ELCO officials.

This office closure will not affect our services. Payments can be made by mail, online, phone (970) 493-2044 or at the office drop box located at 232 South Link Lane in Fort Collins.

As a result of the closure, new tenants with water service-related questions will need to call the ELCO office at (970) 493-2044.

For all other business inquiries including deliveries, please call (970) 493-2044.

**Concerned About Coronavirus?**

Coronavirus (COVID-19) is known to spread from person to person through close contact, similar to how the flu is transmitted. **There is currently no evidence to support that Coronavirus (COVID-19) is transmitted through drinking water.** Coronavirus (COVID-19) can be disinfected through the use of ozone, chlorine and other treatment processes as are used in treating the drinking water ELCO delivers to our customers.

Additional information on COVID-19 and drinking water can be found on the EPA and CDC websites. Direct links to information on their websites are at:
